***Sponsored by Great Basin Native Basketweavers Association***

Our goal is to revive, enhance, and promote the traditional art of basket making handed down throughout the Great Basin Region. The Great Basin area stretches from the South area of Death Valley, California, up to the middle of Oregon, from the Sierra Mountains clear across to the Great Salt Lake. All tribes within the Great Basin region including the Washoe, Shoshone, Northern and Southern Paiute, Goshute, Ute, Bannock, Mohave, and Chemehuevi tribes. A need to strengthen and retain our traditional art of baskets is a must, and we gather here today to call ourselves the Great Basin Native Basketweavers Association, with the intent and purpose of keeping the baskets alive for another thousand years.
